Oh, what a year!

The 2013-14 school year at Andrean High School has been one of great activities and successes. Needless to say, the best way to get a true sense for the year is by paging through this yearbook. Many thanks need to be heaped on Ms. Brewer and the Decussata staff! They have once again produced a great book. Yearbooks are an indication of the success we have experienced this year. As you can gather we won a state championship in football! The Fighting 59ers ran the table this year, 15-0! This effort rallied the Niner Nation near and far. I have received calls and notes from folks in Minnesota, Florida and California telling me how proud they are to be a 59er.

Beyond that victory, all of our teams competed at the highest of competitive levels, with many moving deep into state play. On the soccer front, we bid a fond farewell to Mr. Pete Reist. Mr. Reist was at the helm of the soccer program for over twenty years and his unique approach to the game will be missed. Also, on the coaching front we bid adieu to Julie Wiejak. She served our girls well in volleyball and we wish her the best at Purdue University Calumet.

The academic achievements are listed within, but let's suffice it to say that our competitive teams did superb! Our seniors really stepped it up with over \$5,000,000 in scholarships being awarded to the class of 2014. The campus saw the addition of a new culinary program and new equipment courtesy of the class of '63. Included in these academic additions is Project Lead the Way, a program for students interested in engineering. Consistent strong instruction day-in and day-out by our standout faculty is a given.

Our advances in the fine arts continued with truly entertaining plays, a great Andrean Idol competition, an ever improving choir, band, string ensemble, and house band. We had students recognized regionally for their work in portraits and stained glass.

The actual physical plant has improved with new landscaping in the front of the school and renovations of the gym, gym lobby, weight room and wrestling room. We are most thankful to all of the parties who donated and worked on these projects.

The administrative team of the school found themselves welcoming a new addition, a president. I was lucky enough to be asked to be a part of the Andrean family on September 30, 2013. I thank all of you for welcoming me so warmly.

This note is meant to be a highlight, my retrospective, not a review of the entire year, heck that is what the book is for. With that said, please enjoy the Decussata, and relish in the accomplishments, memories and feelings you have when you read and view this great work.

Sincerely,

Harry J. Vande Velde III  
President

# Varsity Basketball

This year our varsity boys basketball team made it to regionals. They had a good season with a record of 12-10. This is senior Ramon Guerrero's take on the season, "This season went a different direction than what people thought. Everyone thought we would only win 3 games. We came out this season to prove these people wrong. We were undersized in almost every game. The only thing they didn't have against us was heart. We strove to compete and beat all the teams that were picked to win. We were underdogs in everything, but the other teams knew we weren't going down without a fight. By playoffs we knew that we were going to win no matter what. The best game everyone had was the regional game against Bowman. We showed people that we can compete against the best and at the end, even after we lost, we all were proud of each other and the season we all shared together." The other senior on the team was Frank Podkul. He said, "This year was great, I'm glad I came back to play with this group of guys to pull off what no one thought we could do." Both of these seniors are very proud of their team and wishes them well next year.

We had a great group of guys that were willing to play hard and work to succeed. Our record shows we were successful, but it is more then wins and loses, I think this group can do some special things and look forward to seeing them again." This year, the team was coached by former Andrean Alum and member of the Ninerette Dance and Spirit Dance Team, Ms. Alyse Giannini. The Ninerettes adopted the team motto "Si se puede!" meaning "Yes we can!" This motto was chanted before each performance and served as a reminder that nothing could stop the team from doing its best, and to always dance like nobody's watching.

# Academic Super Bowl

## Science

These science team members were taught by Mrs. Giorgio. This science team was full of extremely talented students. Although receiving the best score out of the Andrian teams at the area meet, they just missed qualifying for state. From left to right: sophomore Jake Brown as captain, senior Alex Zhang, and junior Niuniu Zhang

## Interdisciplinary

This year's interdisciplinary team was one of the most successful teams Andrian ever had. Interdisciplinary team is a combination of all the Super Bowl subjects. All of this year's members are a part of two other teams as well. Members include juniors Michael Bukur as captain, Katelyn Scheive, Niuniu Zhang, and senior Alex Zhang. (not pictured: alternate, Danielle Collins.)

## Math

Mr. Giorgio taught this year's math team. Many of the questions this year involved probability. They did well at their meets and consequently qualified for state. Pictured from left to right: senior Emelye Wu, junior Ceville Lockwood, senior Alex Zhang as captain, junior Katelyn Scheive, and sophomore Jake Brown.

## English

Mrs. Brown coached the English members for the first time. All of the members were new to English super bowl, but they did fairly well. From left to right: freshmen Munkhdul Munkhbaatar, Anke Rudloff, junior Michael Bukur as captain, and freshmen Danielle Collins (not pictured: freshmen Tiffany Vedo)

## *Fine Arts*

The Fine Arts team was coached by Mrs. Bonta this year. They worked very hard this year and made huge improvements by their last meet. The team includes junior Ceville Lockwood, senior Elena Kallas, junior Katelyn Scheive as captain, and senior Ariel Stamper.

## *Social Studies*

Mrs. Weiss coached the social studies team. They learned about America's western expansion. They consistently were among the top teams at invitational and area meets, which lead them to State. From left to right: freshmen Danielle Collins, junior Elizabeth Adams, senior Scott Maginot as captain, juniors Michael Bukur, and Niuniu Zhang

## *State Meet*

# Kairos 3

The last Kairos retreat of the year was an amazing experience - which not only the seniors enjoyed, but several of the juniors as well, preparing themselves to be the new leaders for the retreats for their class of 2015.

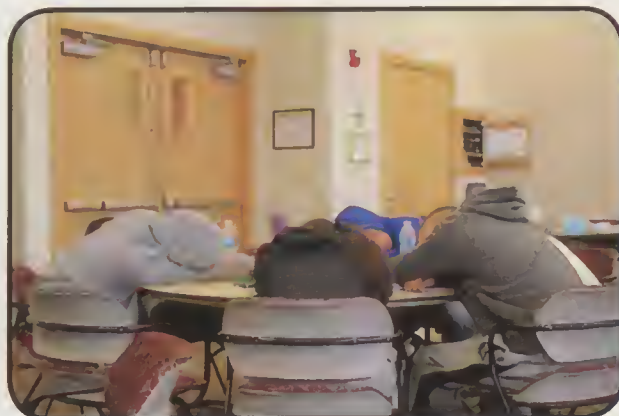

Mr. O'Niell's junior group with Kathryn Mirabella, Colleen Anderson, Santiago Thompson, Michael Buker, Ragnhild Kvamme, Curtis Hunt, Aireal Sandidge, Michael Kinasiewicz, Brianna Howerton, Aleah Rivera, Maddie Martin, Angeline Barthel, Nina Hartman, Ashley LeGrand, Owen Satoski

Brenna Boyle, Claire Pardo, and Brittany Gray came in for a hug with the very photogenic Curtis Hunt - a.k.a. "King Kairos"

Everyone piled in for a huge group photo after a very long and emotional day.

Some of the retreating seniors decided to catch a few minutes of sleep during the busy day.

# Spring Break Trip to Germany

The Spring Break trip this year went to Germany. While in Germany they visited Berlin, Munich, Rottenburg, and Frankfurt. The chaperons were Mr. O'Neill and Mrs. DeMass. The group saw many castles, and heard a lot about World War two and the years that followed.

Abby Frankovich said, "The trip was an experience of a life time. I would love to go back again and see more." Mike Gore said, "Everyone who went on the trip made it the experience it was and I would not change any part of it. It was an experience I will never forget." "Good times with good people," was what Matt Kish said.

"This year our softball team was very young but i wouldn't have traded them for the world. We weren't picked to go very far but we ended up proving a lot of people wrong by making it to the sectional championship. We didn't focus on our record, but instead, focused on becoming a better team. I've learned a lot from every one of these girls and they truly made my senior year one to remember. They have a bright future ahead of them and i see a state championship within the next few years!"

We Are So Proud of Our 2014 Graduate

Dreams Are The Touchstones Of Our Character ~Henry David Thoreau~

You are such a blessing to our family. You have matured into a remarkable young man. You demonstrate this mannerism in your enthusiasm for football and the way you love and care for your family and friends.

You are thoroughly intelligent, creative, genuine and full of optimism. These attributes will be beneficial to a successful future at Indiana University Bloomington (Go Hoosiers)!

We are excited for you as you begin this next phase in your life. We pray that you will never lose sight of your passions and that you always follow the bliss that will carry you to your dreams and make them real.

Love you forever,  
Mom, Julian,  
Grandma Della, Grandpa Bob, Aunts, Uncles, and Cousins

"God will instruct me and teach me in the way I should go, He will guide me with his eye."

~ Psalm 32:8 ~

*Elena - our artistic princess. We are deeply proud at the woman you have become - you've juggled adult challenges far beyond your years. You've mastered efforts to complete school responsibilities and activities despite the family detours life has thrown at you. No doubt you will be successful, no matter what you tackle on your new journey in life. Wishing you exciting experiences to paint your canvas of memories. Love and Godspeed.*

*Mom, Dad and Mike*

## ***Congratulations Mrs. Nancy Kelly-Fernandez on your retirement!***

"Mrs. Kelley-Fernandez is one of the most dedicated, influential, responsible, and trustworthy teachers Andean has ever had. She leaves a legacy of countless issues of the Acropolis that are well-written, professional-looking publications. She's made an impact on so many students, including myself, over the course of her time here."

- Matt O'Brien

"Mrs. Kelley completely turned the newspaper around, making it a professional and informative. She has set a high standard and has instilled positive honorable qualities in the all of those on newspaper staff through the years."

- Gaby Olguin-Flores

"Mrs. Kelley is one of the best teachers I've had in high school. One can tell that she truly cared about her students and poured her heart and soul into the Acropolis every single issue."

- Jack Musgrave

"Mrs. Kelley taught me more than I could ever teach myself. She was the first teacher who really taught me how to write and she has continued to inspire me to pursue writing as a passion."

- Michael Bukur

Andrean and our  
students.

You will be missed!  
May you have many  
years of rest and

## Papa Pete Reist

Coach "Papa" Pete is more than a coach to the soccer team. He was our mentor and teacher. He is a great role model for the whole team, which is ironic because his most famous quote was, "I'm not a role model." My whole four years spent with Pete has been a great ride and I hope he knows how much everyone looks up to him. He was a fantastic coach and he really understood what he was doing. He taught us a very important motto that we as a team will live by forever, "The Three W's" : Work, Work, Win! He taught us to keep working because whoever worked the hardest and whoever played with the most heart, would win the game. We knew all of our hard work would be repaid. We will always remember Coach Pete as a terrific guy and a phenomenal coach.

*We will miss you, Coach*

I thank Pete for doing the very best he could in spite of the hours, the job conditions and the last minute notifications. I thank Pete for being here, keeping the physical plant safe and secure, for keeping Andrean positioned to fulfill our mission on a daily basis.

Sincerely,  
Harry J. Vande Velde III  
President

# Class 3A Baseball State Champions

*Being a Niner isn't about doing what everyone else has in the past.*

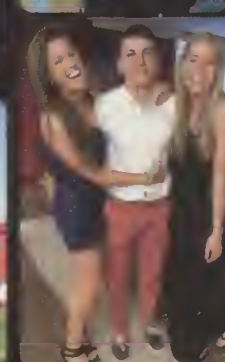

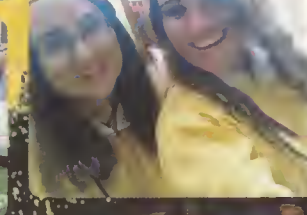

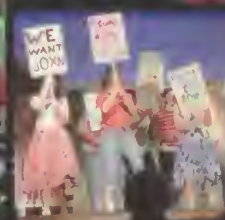

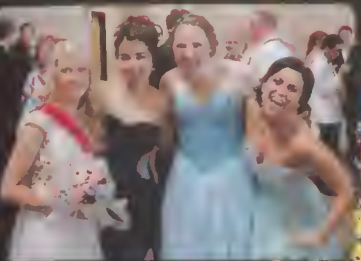

*It's about striving for greatness and achieving those goals we set for ourselves.*

*In the end it's about doing our  
best and having fun along the way.*

*That is how we  
Step  
Above  
the Rest*

*To the Senior Class of 2014:*

*While there may have been a time when it seemed like high school would never end, before we knew it, the last weeks of school crept up on us and we said our good-byes to the halls of Andrean. Our last year feels like it has only lasted four minutes. From the moment we stepped through door M as uncertain freshmen, we became a part of a family that grew closer. Whether we realized it or not, this time would become a major part of our lives.*

*The fall was filled with excitement as we entered our last year as the big bad (well, maybe not so bad) seniors. Plans for the future were made and hours of applications were filled out. Together, we crammed into the student section of the bleachers for the last season of football. A lot of us lost our voices as we cheered the team all the way down to state. We dominated and our boys became new state champs with an **UNDEFEATED** season - we all proudly sang our alma mater, brimming with Niner Nation pride.*

*The "Winter Vortex" raged across the region as we welcomed the new year and we entered the last leg of high school. The snow days were nice until we realized that the cold would stay until May. Even on Armageddon, the weather was relentless. No doubt that would be a day to remember. Prom was amazing, dancing the night away on the lake, highlighted by the Chicago skyline - a night that will be remembered and cherished.*

*Throughout the four years at Andrean, countless friendships were created while others were lost along the way. On the Kairos retreats, our class became closer - further proving we weren't just peers at school, but a family. Those few days were some of the most meaningful in our lives.*

*We all had different feelings concerning high school coming to a close and our last days together as a class. Some of us were excited that we were **FINALLY** in the home stretch to graduating, some of us felt like checking out early, and others were scrambling to make the most of the last weeks before we moved on. In the end we all moved on. It's inevitable. We got our diplomas, walked across the stage, switched our tassels and started the next chapter of our lives.*

*No matter where your life may lead you, no matter how many changes will grace your future, never forget your Andrean family and where your hopes and dreams for your future started. Although we end our era of high school here at Andrean, we get to start a new dream all over again.*

*The best of luck and blessings to you!*
